

Retro from Scratch

Handmade Nostalgic Notebooks

giving old books a new lease of life

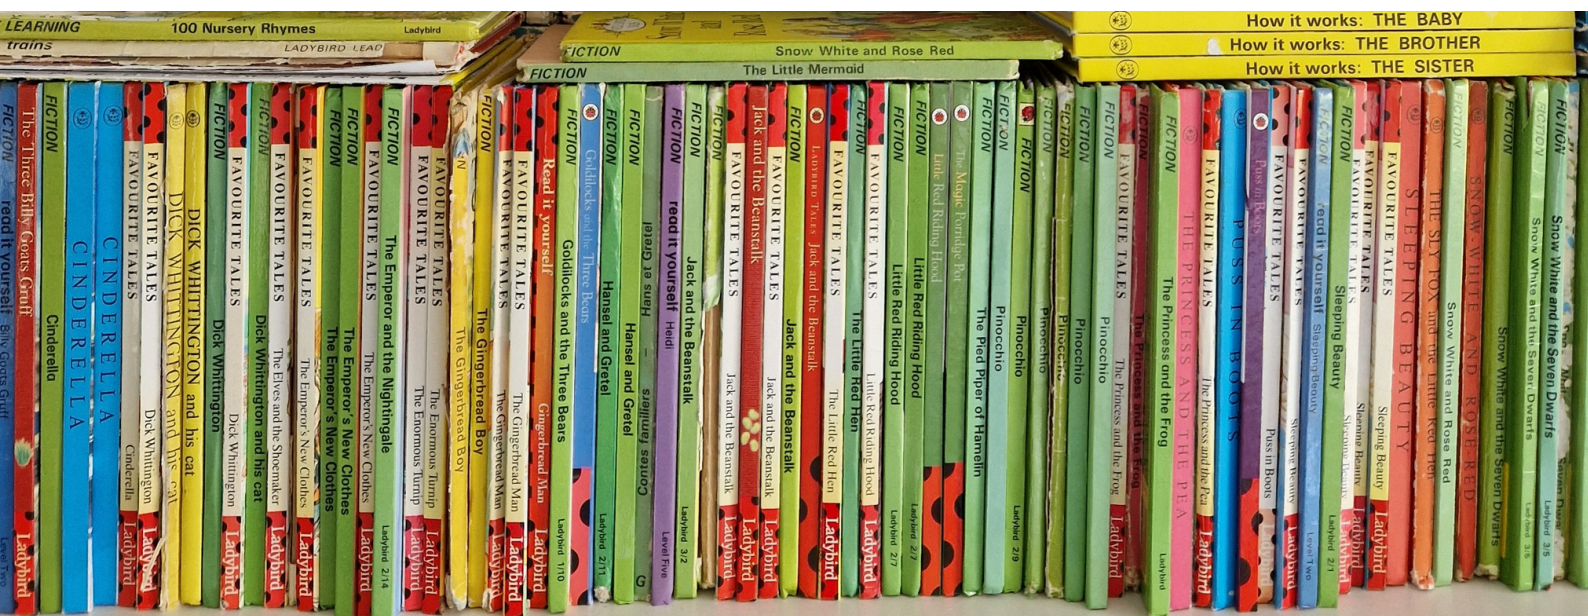

“OMG, I
remember that!”

At Retro from Scratch, I bring back those nostalgic moments with my handmade recycled notebooks. I give beloved old books a new purpose, because I believe every book deserves a second chance

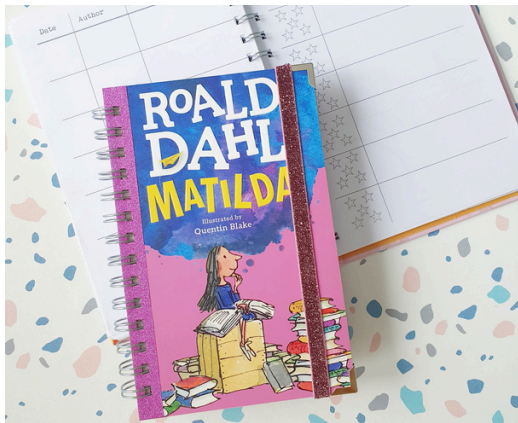

I am a well-loved book that has
been given a new lease of life by
Retro from Scratch
You may find my previous owners
have left their mark on me - this
is all part of my history,
and now it's your turn
to leave your mark.
Enjoy!

Whether it's a classic children's story, a vintage novel, or a retro favourite, my notebooks are made of memories, making them the perfect heartfelt gift

Retro from Scratch

Notebooks

Quality

The inside pages are made from high-quality 80gsm white paper, making them perfect for journaling, note-taking, or sketching. I supply a selection of plain and lined paper as well as diaries

Size

My hardback notebooks range from recycled pocket-size Ladybird Books to A4 annuals. I also recycle old floppy disks, board games, VHS and DVDs into notepads too

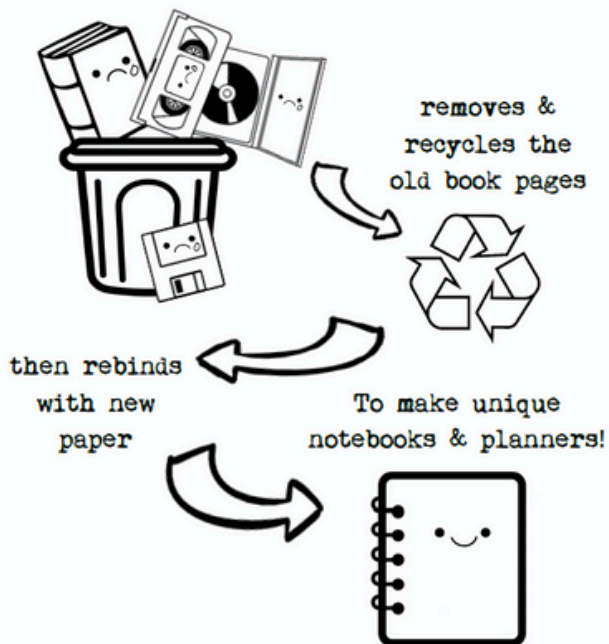

Style

From fairytale classics to action heroes; antique books and wizards galore... I cover a range of genre, but in general I use children's books from all eras that are sentimental and full of nostalgia

Retro from Scratch

...takes unloved books, board games, VHS, DVDs and floppy disks...

Price

My notebooks retail from £8 - £14

Sale or return is the preferred method of sale with stockists

35% commission with stock rotated on a monthly basis

Display

I provide small wooden storage boxes and racks for displaying my notebooks

Each box can contain up to 12 notebooks

Crafting from Scratch

Craft Workshops

In addition to my recycled notebooks, I offer engaging craft workshops where participants can create their own upcycled book crafts

My workshops provide a fun, mindful, and creative experience for adults of all skill levels

Prices start from £25 per person
